ABSTRACT OF NEWSPAPER INTELLIGENCE.

Date 20th November 1923.

Sl. No. from 1st July	Heading of article	Name of newspaper, date and page	Subject
	Viceroy's Visit.	Sampadabyudaya 19-11	States that the date on which H.E. the Viceroy arrives in Mysore is notified as a local holiday; that the Viceroy's Visit to the State is an event of exceptional importance and several officials and non-officials may wish to attend the functions and that Government may consider the advisability of providing the necessary facilities by declaring the holiday general throughout the Province.
	Representative Assembly	do.	A correspondent suggests that, following the practice in England of selecting the best of the local men as President of the Parliament, Sir M.Visvesvaraya may be invited to be the president of the Reformed Assembly.
	Viceregal visit.	Mys.Chronicle 18-11	States that no announcement has so far been made regarding the arrangements made for press representatives during the Viceregal visit and hopes that a sufficient number of representatives of the Mysore Press will be afforded necessary facilities to form their own opinion in the matter.
	do.	do.	Refers to a rumour that only select press representatives will be invited to attend the functions in connection with the Viceroy's visit, and enquires why, if the rumour is true, the difference is sought to be made and whether the time is come when even the Press is drawn "under the wand of favouritism"
	Invidious	do.	States that the dates on which H.E. the Viceroy arrives in Bangalore and Mysore are declared as local holidays; that this has the effect of preventing persons from other parts of the State ~~to~~ witness the functions; and suggests that the three local holidays may be treated as general holidays, to enable the people of the State to show their loyalty to the Representative of the King-Emperor

Dear Mr. Mathan,

I am desired to write to you regarding the arrangements to be made for the representatives of Press during the forthcoming visit of H.E.the Viceroy to Mysore and Karapur. In view of the limited accommodation available, especially at the latter place, I am to say that it would not be possible to provide accommodation and board for more than 4 press representatives. Mr.K.V.Thomas, Representative of Reuters and Association Press of India will be one of the four and the other three will be selected from the representatives of local newspapers, ~~or~~ Daily Post etc. I shall write to you later regarding the other three persons.

As regards arrangements etc., I am to request you to be good enough to arrange for their accommodation and board at Mysore. For those adopting European food, the Kingston Hotel will be most convenient as it is close to Government House and necessary accommodation may be reserved for them there. A Government Victoria and one or 2 tongas may also be kindly placed at their disposal.

I shall make all necessary arrangements for their transport to Karapur and for providing them with board and lodging there.

Yours sincerely,

Applications have been received here from the Editor of the Sampadabhyudaya and the local correspondent of the Swarajya of Madras for press facilities at Mysore and at the Kheddas. Similar applications may be received from representatives of other papers also. In the case of those who are not given special facilities by way of accommodation, board and conveyance, I would suggest that passes may be given to enable them to attend and report the various functions. The names of any to whom such passes are issued may be kindly communicated to me.

Yours sincerely,
